Model Information:

We encourage you to bring one or more ship models for display. (Works in progress are welcomed) We will prepare a display placard for each model using the information you provide below. Please indicate the size of the model or case so that we can determine space requirements. You can choose to enter the model for judging for the **People's Choice award** and/or the **Jim Roberts Craftsmanship award**. Check the applicable boxes. If you have more than one model, list them on the reverse side.

The Ship Model Society of New Jersey will once again present the "Jim Roberts Award." Jim Roberts was one of the founding members of our club. As a modeler, Jim was noted for the craftsmanship, beauty and attention to detail of his models. The "Jim Roberts Award" was created to honor his memory. It will be given every year at the Joint Clubs Meeting to the modeler who best succeeds at fulfilling the standards Jim set. This will be the Third Year for this competition.

The winning model will be selected by a jury composed of one judge from each attending club. Our intent is that this award will encourage our fellow ship modelers to complete their models with an emphasis on craftsmanship; and, that it provide a new incentive for modelers to bring their completed ship models to this yearly gathering
